### SEMESTER-BY-SEMESTER MAP FOR FULL-TIME STUDENTS

Although there may be several options to fulfill certain requirements for the associate's degree, please note that this pathway lists the specific courses leading to this bachelor's degree. All plans can be modified to fit the needs of part-time students. This is not an official degree plan. Refer to catalog for official degree requirements. You must receive a GPA of at least 2.00 on all college-level course work. Students must earn at least 25% of the credit hours required for graduation through instruction by one of the seven DCCCD colleges awarding the degree. You will need to apply for the associate's degree at your college. Contact your advisor for information.

**TERM-BY-TERM MAP FOR FULL-TIME STUDENTS**

A maximum of 90 credits may be transferred to New England College ("NEC"). Please see the NEC Academic Catalog for full transfer credit policies, graduation requirements, and program requirements ([www.nec.edu](http://www.nec.edu)). Depending on your first term with NEC, courses may not be offered in the sequence below, but an educational plan will be developed based on your needs with the help of your Academic Advisor. For questions about the New England College portion of this transfer pathway, contact the SGPS Admissions Office at (603) 428-2252 or [graduateadmission@nec.edu](mailto:graduateadmission@nec.edu). It is best to apply to New England College a full semester before you plan to transfer. It will help if you submit a copy of this pathway with your application.
